Applicant. :

PETITION TO MAKE SPECIAL

COMES NOW the Applicant / Petitioner, <<Applicant>>>, (hereinafter "Applicant"), and respectfully petitions the Commissioner of Trademarks to make special U.S. Ser. No. <<<Serial Number>>> for the trademark <<<Trademark>>>. As grounds therefore, Applicant submits as follows:

- Actual Infringement: The applied-for trademark is being infringed upon and making this application special and expediting the registration process will assist Applicant / Petitioner to cease this infringement.
- Threatened Infringement: The applied-for trademark may be being infringed upon and making this application special and expediting the registration process will assist Applicant / Petitioner to cease this threatened infringement.
- Pending Litigation: The applied-for trademark is the subject of pending litigation and the registration will assist Applicant / Petitioner in that litigation.
- Foreign Registration: The applied-for trademark is needed to assist Applicant / Petitioner in securing a foreign registration.
- Prior Registration: The applied-for trademark is needed to replace a prior U.S. registration which was inadvertently allowed to lapse.

Details Supporting Request: _____

Respectfully submitted this <<<day>>> day of
<<month>>>, <<<year>>>.
